1 so there was really no need to sit there and -- and try to  
2 bypass anything or kind of like somehow squirrel away  
3 money and move the accounts. It's all too complicated.  
4 It -- it -- it doesn't make any sense.

5 Am I saying it didn't happen? No, I -- it's  
6 clear it did happen, but it wasn't some sort of a master  
7 plan hatched by me or anybody at OwnZones, and then we  
8 all, like, sat there and coordinated and put in motion.

9 Of there was -- no -- so that is all I can say  
10 about that.

11 **Q Who -- who else -- what other direct investors**  
12 **raised money from sub-investors?**

13 A I -- I don't know a hundred percent. You know, I  
14 know that, for instance, you know, Valentino brought in a  
15 few of his friends. He is the uncle of David Bortis.

16 And there is probably, you know, two or three  
17 others that may have. But I think it's fairly limited in  
18 terms of the number of investors that this happened, you  
19 know. I think Daniel Bortis is probably, you know, the  
20 one that, like, went all out apparently, you know, so.

21 **Q At some point did OwnZones kind of adopt**  
22 **Daniel Bortis' Form Stock Purchase Agreement marked as**  
23 **Exhibit 9 and start sending it to investors?**

24 A No.

25 I know that, you know, Andrea sent it in that

Page 271

1           A     No. No. We -- the only compensation we ever  
2     offered is to people when they spent money on us, you  
3     know. We said, "We don't have the cash. We're cash poor.  
4     But, you know, is equity okay at some point?"

5                     But we never -- if you looked at it, all the  
6     documentation, we never got around to actually doing that  
7     for people. So at some point we will, but we -- we  
8     didn't.

9           Q     So did Christina Marie Daniels just drop the  
10    demand for her commission after this? Or what -- what  
11    happened since August 2017?

12          A     I need to talk to her. And I -- and I will talk  
13    to her. I haven't connected with her since.

14          Q     You mentioned Valentino Moca earlier.

15          A     Yeah.

16          Q     What was his role with respect to OwnZones?

17          A     He's -- he's -- generally, I didn't know him at  
18    all before about 2016. He just came into our office one  
19    day and was like, "What are you guys doing?" And I  
20    presented the idea. He started investing a little bit.

21                     But then it just grew into he is probably one of  
22    our biggest investors. Other than that, he had no other  
23    role.

24                     And as far as I know, the guy is incredibly  
25    wealthy. He has properties nationwide, you know, as far

1 as I know.

2 And, you know, he is just -- now he is one guy  
3 that I can tell you is a friend, you know. He has become  
4 a friend since then, you know.

5 Q I know you mentioned earlier that you were aware  
6 of him bringing in some people. How did that -- what do  
7 you know about that?

8 A It was -- so he has a group of people that he  
9 invests in houses with, you know. He is like a property  
10 investor. That same group of people. You know, I can --  
11 it's a list of about, like, you know, between five and  
12 seven, you know. They pooled some resources, but the bulk  
13 are his, you know.

14 Q Okay.

15 A And so anyway.

16 MR. NOWLIN: Okay. Our -- yeah. Let's go off  
17 the record at 4:59.

18 (Whereupon, at 4:59 p.m., the examination was  
19 concluded.)
